- Enjoys the outdoors and is able to perform physically exhausting work in very hot weather, very cold weather, and also rainy weather.
- Is willing to get dirty when they work and enjoys being drenched in sweat after a hard day of work.
- Is available to work every other weekend.
- Doesn't mind waking up very early in the morning and relishes the opportunity to work overtime.
- Likes to work with other people and makes sure to "pull their weight" when doing so.
- Has the ability to work effectively with a group or by his or herself.
- Doesn't mind having to occasionally stay late for work on short notice.
- Working on Memorial Day, 4<sup>th</sup> of July, and Labor Day is not a big problem for them if needed.
- Enjoys working in a fun, easy-going, hardworking, atmosphere.

If the above accurately describes yourself, then you might enjoy becoming part of our team. If you do, you will have the opportunity to help us prepare the golf course for **two nationally televised:** The TOUR Championship in August and the East Lake Cup at the end of October. The TOUR Championship is the tournament that **Tiger Woods** made his famous comeback to golf with his 80<sup>th</sup> win. The East Lake Cup is a collegiate event and is televised on the GOLF channel. These tournaments will give you the opportunity to share your hard work with all of your family and friends via television.

The responsibilities associated with the position include: raking bunkers, backpack blowing, mowing greens, weed eating, pulling weeds, installing mulch and pine straw, debris removal, sod work, spraying weeds, mowing of the tee grounds, collars, aprons, approaches, fairways, rough and general preparations for daily play. Individuals must be able to operate machinery efficiently and in a safe fashion. The candidate must be able to lift at least 50 pounds, walk several miles every morning, and must present a professional appearance at all times while on property

The Full-Time position available will work a schedule of Monday – Friday 6:30 A.M. until 3:15 P.M. and be required to work five hours on Saturday and Sunday every other weekend. The position will be

scheduled for 40+ hours of work each week. There will be opportunities for overtime as well as mandatory overtime throughout the summer. The months of June and August require substantial overtime, working upwards of **70 hours** some weeks.

**The full benefits package includes medical, dental, vision and life insurance after 30 days of employment, health savings account, long term disability, 401k, annual bonus program, profit sharing plan, paid time off accrual, uniforms and limited golfing privileges.**
